A woman with dark hair, red eyes, and fangs is crouched on a wooden floor in a bedroom. She is looking directly at the camera with a menacing expression. Her hands are flat on the floor, and her fingers are slightly curled. In the background, there is a bed with a floral patterned blanket, a wooden wardrobe, and a framed picture on the wall. A pair of black sneakers is on the floor near the bed. A large white starburst speech bubble is positioned above her head.
